System Usability Scale

Please answer the following questions assuming you have been provided with the <u>necessary information about using the tool</u> and <u>have access to the user guide</u>. Please use the following Likert scale to rate your experience. The scale ranges from "Strongly disagree" to "Strongly agree."

Keep these points in mind while rating:

1. Use the scale based on your immediate response to each item.
2. Do not spend a long time thinking about each item.
3. If you are unable to respond to a particular item, mark the center point of the scale.

You can refer to the user guide below for additional help.
